Zwirbel goes to Japan

The President of the Swiss Confederation Samuel Schmid read your letter and the comics AZwirbel goes to Japan a and asked me to answer and thank you for the present sent for August, 1 st. Last April the President had the opportunity to go to Japan and visit the Expo 2005 in Aichi. He was personally convinced by the extraordinary Swiss presence. The good quality wasn't only shown by the high number of visitors, but also by the visit of the Japanese Royal Family to the Swiss Pavillion. Your comics will certainly give a great contribution to the Switzerland ys image in Japan. During his stay in Japan President Samuel Schmid also visited Shinshiro, the Japanese city twinned with Neuenburg.
